

Spring Fling 2017 – How to get involved

The 2016 Tantallon Elementary Spring Fling was a tremendous success. Through the generosity of students, parents, teachers, school staff and our local community, we were able to raise just over **\$25,000!** These funds help the school provide computers/technological equipment, sports equipment, physical education activities and items for the music program. Last year's event would not have been possible without the hard work and dedication of countless volunteers. Events such as these would also not happen without the help and support of local businesses and organisations. Thank you to all that sponsored an activity or participated in the Business Showcase.

This year's event will be held on Saturday, 3rd June - So mark your calendars!

In the coming months, you'll be hearing more about the event and we'll be looking for volunteers to help pull this day together. We'll also be looking for support from our local business leaders and members of our community. Perhaps you would be interested in sponsoring an activity, providing a gift certificate or an item for the silent auction, donating food or drinks for the canteen or making a monetary donation. As a sponsor, your business sign and/or banner will be proudly displayed and will be viewed by a wide audience – our families. Also, if you work for a company that offers some type of community support initiative for helping or volunteering in the community, we would love to hear from you.

Parents, friends, neighbours and members of the business community all play an important role in the growth and development of our children and the community in which they thrive. We hope we can count on your support for this major fund raising event at Tantallon Elementary Schools. If you would like to get involved as a sponsor, donor or volunteer, please contact us by e-mail at tantallonspringfling@gmail.com.

Spring Fling Planning Committee 2017

Winter Carnival

This year we have replaced the Winter Carnival with Whacky Wednesdays in April. Students will be able to participate in a different theme day each Wednesday in April. Details of the theme days will be publicised on the schools' websites and on the TESPA facebook page.

TESPA Spring Planters

Hopefully Shubie Sam's prediction for an early spring holds true and we can start thinking of brightening up our decks and patios – watch out for a communication regarding our much loved Spring Planters; we hope this campaign will be blooming in May.

Staff Appreciation Days

This TESPA event will be held on Thursday 30th and Friday 31st March. This year we are looking to provide snacks at recess on the Thursday and a hot lunch on the Friday. The following link <https://www.volunteersignup.org/C8TK4> shows the items that we are looking for. If you would like to sign up to provide an item or to volunteer with the set up on Thursday or Friday morning, we would be very grateful.

Thank you so much TESPA families for your support!
